

Concessions at the Putnam County Fair

Fair food is one of the things we all remember when we think back on our fair memories – the world’s best hamburger – our fair features hand patted 100% beef hamburgers, funnel cakes, hot dogs, fried catfish, some of the world’s best Bar-B-Que – pork, beef, chicken, rib-eye sandwiches, fried green tomatoes, fried catfish, pizza, mile high pies and homemade desserts, ice cream, fried pies, shaved ice and many other southern comfort foods – fair style.

It all brings back memories of our childhood when our families took us to the county fair.

Come to the fair just for the food.

Most of our concession operators have been with us for years. They are well known by our guests and the quality of their food cannot be beat. They return year after year to offer some of the finest fair food found today at any fair.

Our large, permanent concession stands with hot water heater rent for \$2,000 for ten days. We do have one or two spaces for food trailers and trucks – this space rents for \$1,200. All concessions also require a \$250 deposit which is returned after the fair if your space is left as you find it and broom clean.

We do maintain a waiting list for concession space. If you are interested in offering concessions at the Putnam County Fair contact Thom Steger at: info@putnamcountyfair.org Tell him kind of food you will offer, where you

have provided food service previously, and include two references along with your address and telephone number.

54,758 people came to the 2018 Fair
