

Putnam County Master Gardeners
"Celebrate Gardening"

Putnam County Master Gardeners make our wonderful exhibit possible annually -- they envision it, create it, and then manage it for the ten days...it's an incredible gift to the Putnam County Fair!

Lisa Roberson, TAF President and Lynne Williams. State Fair Administrator tour Charlotte's Web after the Opening Luncheon with Roger Dereske, Abbi Dalton, and Wes Roberson.

Each year the Putnam County Master Gardeners (PCMG) create a special gardening display for children and adults at the Putnam County Fair. Each year it's a different theme and always an award winning creation.

The organization's 60 active members of all ages gladly give their time to set up display and work the 10 days of the fair. They are amazing in their dedication to the fair and Putnam County.

You will also see their handiwork around the fairgrounds with flowers and shrubs in multiple beds, and they do an incredible job with the landscaping around the Putnam County Extension Office at 900 S. Walnut on the back side of the fairgrounds.

The Master Gardeners Building is open weekdays 4p.m.- 9 p.m., Saturdays 12 noon – 9 p.m. and Sunday 2 p.m. – 9 p.m.

Putnam County Master Gardeners is an organization of men and women of all ages, who enjoy learning and sharing their gardening skills and knowledge.

PCMG is always looking for new people to join their ranks, regardless of experience level. For more information or to sign up for the next PCMG Training Course, call UT Extension at 931-526-4561.
