“The Tradition Lives On...Christmas at the Fair”

is the theme of the **98th Putnam County Agricultural & Industrial Fair**. We are providing many new entry opportunities related to Christmas (see *New Things for 24* on page 11 & new Christmas entries on 14-15.) Celebrating one of our favorite holidays, and highlights and reminds us of several agricultural businesses that relate to the holiday. **Putnam County has Christmas Tree Farms, businesses who specialize in wreaths and other natural materials, and of course farm animals. What would a live Nativity be without a cow, sheep, or horse – traditional farm animals.**

We again feature the premier exhibit at the fair - a replica of a real barnyard right here in Putnam County during the 1940s & '50s. Grand Ma's Barnyard is a multifaceted, interactive series of exhibits throughout the fairgrounds. Coming from the memory of Fair Board President, John Allen & his Grand Mother Maude Chaffin Allen's 1940-1960 Barnyard on the north side of town. Created under the leadership of Susanna Clouse, Jeremy Glascock, David Clouse & their families.

It was created through a partnership between the Putnam County Fair, Schools of Agriculture & Human Ecology at Tennessee Tech, UT Putnam County Extension Service, the Department of Plant Sciences at UT Institute of Agriculture, Putnam County Farm Bureau, Putnam County Master Gardeners and the Middle Tennessee Antique Engine & Tractor Association.

And just like Grand Ma's Barnyard, the Putnam County Fair tradition lives on!

A Message from the TN Commissioner of Agriculture

Greetings and welcome to the 2024 Putnam County Fair.

Tennessee, a state rooted in agriculture and forestry, proudly showcases these top industries at fairs, offering families a unique opportunity to appreciate their significance. This year, the Putnam County Fair embraces the festive spirit with the theme “Christmas at the Fair,” promising entertainment and educational experiences suitable for visitors of all ages.

As we recognize 68 years at the current location, anticipation builds for the fair’s relocation and the exciting prospects that move brings. A focal point of the expansion efforts is Grandma’s Barnyard, a premier agricultural exhibit that offers farmer-for-the-day activities and a replica of a local barnyard from the 1940s and 1950s.

This year the Putnam County Fair Board returned triumphantly from the Annual Tennessee Association of Fairs’ convention, where they won numerous accolades. From the scrapbook to the fair quilt, which earned the esteemed Golden Needle Award, the fair stood out in categories such as media item (magazine), social media collage, and most unique crocheted item.

I extend my congratulations to Putnam County Fair President John Allen whose exceptional dedication and steadfast commitment to programs of the fair earned him the 2024 Thornton Taylor Memorial Award.

And heartfelt gratitude is in order for the diligent volunteers who organize this outstanding fair. Everyone is welcome at the Putnam County Fair where we celebrate a legacy of community, agriculture, and the enduring spirit of Tennessee’s fairs.

Sincerely,

Charlie Hatcher, D.V.M.

Tennessee Commissioner of Agriculture

Fair Volunteers

The 98th Putnam County Agricultural & Industrial Fair will feature six outstanding volunteers who collectively have given more than 80 years of service to the fair.

Shane & Dean Cobb

Shane and his Mom Dean strongly believe in community involvement and they believe there is no better place to be involved than the Putnam County Fair. They are life-long residents of Putnam County and together they have supported the fair for over 20 years. They say, "Serving our community Putnam County is the best!"

Pat Grimes

My love for the Fair began in 1957, when the fairgrounds was on N. Maple! The entry of counted cross stitched tea towels won 2nd place. Later our family, 3 children & my husband, worked hard making entries & exhibiting animals. Any prize money the children earned was theirs to spend on the midway. When we were blessed with grandchildren, we encouraged and helped them make entries. Again, any premium money earned was "reinvested" having fun on the midway. Attending, making entries and volunteering at the Fair has been our family tradition for 60+ years!

Marcy Griffin

Marcy Griffin is a very active community volunteer, donating her time to several organizations. She joined (FCE) Family and Community Education with the UT/Putnam County Extension Service initially and that lead her to the Putnam County Fair. She loves FCE. She is also a member of the Farm Bureau Women's Organization.

Marcy feels the Putnam County Fair is one of the best ways, to reach out to our community and recommends others join the fun and meet new people at the fair.

Sandra Shepherd

I love to support, celebrate & volunteer at the Fair because it recognizes our young people, farmers, horse & livestock owners, and the historians who keep our heritage alive. The Putnam County Fair represents the important contribution Agriculture makes to our community. When I showed my horse in the local 4-H Horse Show at ten years old, I was hooked. Now, I enjoy bringing entries & volunteering in the Cultural Arts building. I love seeing the beautiful quilts, crocheted items, arts, crafts, flowers and other exhibits made by our neighbors & friends. I think everyone can benefit from what the fair has to offer.

Karen Smith

My husband and I moved to Putnam County ten years ago. We are from Florida and the only fair memories I have is the Florida State Fair. I was a newly retired nurse and wanted to get involved in the community. When I joined FCE, that led to my involvement as a volunteer for the fair. This has led me to get involved with other groups this county has to offer. I enjoy many hobbies like quilting, canning, beekeeping, and others. These have allowed me to meet new people and view the the enormous talent this county has to offer.

Message from Putnam County Mayor Randy Porter

Please join Melanie, Paige, Avery, and me for the 98th Putnam County Fair – August 1 – 10, 2024 – our award-winning county fair. “The Tradition Lives On...Christmas at the Fair” is this year’s theme.

Since 1856 Putnam County residents have invited others from across the Upper Cumberland and the state of Tennessee to pause and celebrate the harvest and be part of the largest community event in our county – the Putnam County Fair.

The Fair Board has planned a great program of events, competitions, shows, and motorsports events for the entire family. Over 200 live demonstrations, six horse shows, livestock, and dairy shows – hogs, goats, dairy goats, sheep, dairy and beef shows.

Over 140 businesses and individuals have contributed their financial resources in support of the fair. Over 550 volunteers will manage some piece of the fair – the best youth fair board in the state can’t wait to greet you and tell you about their fair.

Our family and I hope to see you at the fair – once, twice or three times – don’t miss the 98th Edition of the #1 County Fair in Tennessee (2021) and designated a Premier Champion of Champions Fair in 2022.

It's all right here in our hometown!

Randy Porter, Putnam County Mayor

I had to get through twice to drop off and pick up my daughter during all of that chaos. The young men who were helping with the parking and traffic were seriously so kind and helpful. They helped me get to a spot up close without being in the way and made me as a mother feel so much better. She had a great time too!

MEMORANDUM

DATE: 2/21/2024

TO: Fair Officials

FROM: Samantha Beaty, DVM; *State Veterinarian*

Enclosed is a summary of Tennessee Fair Regulations - health requirements for livestock at fairs & exhibitions.

Special Comments:

1. It is expected that all exhibitors will bring only healthy animals to fairs and exhibitions. Although state and federal animal health officials will be performing as many inspections as possible, **fair officials are responsible** for ensuring that all animals entering fairs for exhibition are in overall good health and are accompanied by a Certificate of Veterinary Inspection. Animals showing clinical signs of contagious disease should be sent home immediately. Violations should be reported to the state veterinarian or his agent.
2. Certificate(s) of Veterinary Inspection (CVI) are to accompany all animal(s) to the respective shows with the exception of in-state Tennessee equine and poultry. In-state Tennessee equine six (6) months of age and older must have a negative Equine Infectious Anemia test within the preceding twelve (12) months. Poultry assembled at shows or exhibitions should be accompanied by evidence of a negative test for Pullorum-Typhoid within 90 days, or be tested on-site prior to exhibition following strict biosecurity procedures, or originate directly from a flock which has been certified as Pullorum-Typhoid Clean under the Tennessee Poultry Improvement Plan. As part of increased awareness and surveillance for Avian Influenza and other poultry diseases, the physical appearance of all birds should be assessed at the time testing is conducted.
3. Certificates of Veterinary Inspection issued in satisfaction of these Tennessee Fair Regulations shall be good for 90 days for Tennessee livestock only.
4. Certificates of Veterinary Inspection demonstrate the animal showed no signs of contagious disease at time of veterinary exam / CVI issuance. Animals developing signs of disease after inspection but during the time period CVI is valid are still subject to rules refusing entry of animals with contagious diseases to exhibitions & shows.
5. Please note exhibition requirements for out-of-state livestock are the same as regular import requirements.
6. Warts, ringworm, scabies, contagious ecthyma (soremouth), footrot, cutaneous fungal and bacterial infections (i.e. club lamb disease, caseous lymphadenitis, pink eye/conjunctivitis) are considered contagious and infectious diseases and are NOT permissible.
7. All out-of-state poultry must originate directly from a Pullorum-Typhoid Clean Flock and a H5/H7 Avian Influenza Clean Flock, or be accompanied by evidence of a negative Pullorum-Typhoid test within ninety (90) days and a negative official Avian Influenza test within twenty-one (21) days.

Also, please note that if highly pathogenic Avian Influenza is detected in Tennessee or a neighboring state, the commingling of poultry at fairs and exhibitions may be suspended.

Fair Biosecurity

Below is a summary of recommendations for fair management by the National Assembly of State Animal Health Officials and the National Association of State Public Health Veterinarians to better protect fair attendees from disease:

- Provide easy access to hand washing stations.
- Post informational signage that includes the following messages:
 - No eating or drinking in the animal areas.
 - Wash hands frequently.
 - No pacifiers, sipping cups or strollers in the animal exhibition areas.
- Discourage sleeping in the animal exhibition areas.
- If human or swine influenza-like-illness is associated with the exhibition, animal health and public health officials should be notified immediately.
- People who have influenza-like illness should leave the exhibition immediately and seek medical care. They should advise their health care provider about their fair attendance.
- People at high risk for developing severe complications from influenza should limit exposure to swine.

Also, be aware of the potential exposure of attendees to Salmonella and E. coli 0157 from animals exhibited on grounds. Please retain this material for reference during the 2024 fair season.

The Putnam County Master Gardeners (PCMG) is a volunteer organization that is designed to serve the public with quality horticulture information through educational programs, outreach, and demonstrations. PCMG is a group of devoted volunteers who work under the direction of the University of Tennessee and their local UT Extension Office to develop horticulture programs for the community.

2024 Interns

This year we have assisted with the Putnam County School's annual Farm Day, given talks and demonstrations to clubs and school groups, maintained the Farmer's Market Garden, and maintained the flowers at the Depot Museum.

We offer 40 hours of classes beginning in January that would interest all levels of gardeners. We welcome everyone to sign up.

We are especially looking forward to participating in the last Putnam County Fair at its current location. Please come by our building located behind the south grandstand. We will be there to meet you, give you a tour of our show garden, answer your plant questions, and give demonstrations. **See you at the fair!**
