EMMA STEVENS
2024 FAIREST OF THE FAIR

Reflecting on my year as Putnam County's 2024 Fairest of the Fair, I feel so grateful and so overjoyed to have this opportunity.

Four years ago, I started pageants to build my confidence and work toward my dream of one day being Fairest of the Fair. I could not be more blessed to have experienced being a fair queen for the first time as Fairest of the Fair and surrounded by the best fair family anyone could ask for.

I cannot believe my reign is almost at its end, but I know this opportunity is meant to impact many different girls. This year was a long time coming but gone in an instant. I blinked, and my dream has been made a reality.

Thank you to everyone who has made this year a reality for me. It is a privilege to forever be the 2024 Putnam County Fairest of the Fair.

The 99th Putnam County A&I Fair honors two outstanding volunteers: Opal Bohannon:

Opal Bohannon has been volunteering at the Putnam County fair for over 61 years. She started out helping taking entries in the agricultural department under the South Grandstands. Then later she worked taking entries in the Cultural Arts Building where she has been a fixture on entry day for the past half century. Opal has won hundreds of ribbons at the Putnam County Fair. Last year, in 2024 she won 31 ribbons and a Best of Show. She has also won many ribbons and Best of Show awards throughout at the Tennessee State fair. Opal has been awarded by the Tennessee Farm Bureau and a proclamation by the Tennessee Legislature. Opal, thank you for your many years of volunteering and contributions to the Putnam County Fair.

Carol Vinson:

Carol Vinson has been a volunteer and board member of the Putnam County Fair for over 25 years. She has been involved with Senior Citizens, Special Needs and Pacesetter events at the fair. She also has helped with other various events through the years. Carol also has brought many sponsors to the fair during her time on the board. She also served on the Tennessee Association of Fairs Board for six years. She is always willing to help wherever she is needed. Carol, thank you for your service to the Putnam County Fair.

A message from the Tennessee Commissioner of Agriculture

Welcome to the 2025 Putnam County Fair.

This year, the Putnam County Fair is bringing the festivities to life with the theme, "Party Like It's 99," marking an incredible 99 years of tradition. Visitors of all ages can look forward to a blend of entertainment and educational experiences that celebrate our rich heritage.

We take pride in honoring 99 years at our current fairgrounds while eagerly anticipating the fair's upcoming relocation and the exciting opportunities it will bring. A beloved staple, Grandma's Barnyard, will remain a centerpiece both now and in the future. The exhibit features farmer-for-a-day activities and a nostalgic replica of a 1940s–1950s barnyard, offering a hands-on glimpse into farming history.

The Putnam County Fair Board returned from the Tennessee Association of Fairs annual convention with high honors, receiving the prestigious State Award of Merit for overall fair operations.

We extend our deepest gratitude to the dedicated volunteers who make this event possible year after year. The Putnam County Fair is a celebration of community, agriculture, and the enduring spirit of Tennessee's fairs. Join us as we honor the past and look ahead to an exciting future.

Sincerely,

Charlie Hatcher, D.V.M.

Tennessee Commissioner of Agriculture

DIVISION OF CONSUMER & INDUSTRY SERVICE: ANIMAL HEALTH

Samantha Beaty DVM, Commissioner Ellington Agriculture Center Box 40627, Nashville, Tn 37204; phone: (615) 837-5120 fax: 837-5250

To Fair Officials Date 2/2025

1. It is expected that all exhibitors bring only healthy animals to fairs and exhibitions. Although state and federal animal health officials will be performing as many inspections as possible, fair officials are responsible for ensuring that all animals entering fairs for exhibition are in overall good health and are accompanied by a Certificate of Veterinary Inspection. Animals showing clinical signs of contagious disease should be sent home immediately. Violations should be reported to the state veterinarian or her agent.
2. Certificate(s) of Veterinary Inspection (CVI) are to accompany all animal(s) to the respective shows with the exception of in-state Tennessee equine and poultry. In-state Tennessee equine six (6) months of age and older must have a negative Equine Infectious Anemia test within the preceding twelve (12) months. Poultry assembled at shows or exhibitions should be accompanied by evidence of a negative test for Pullorum-Typhoid within 90 days or be tested on-site prior to exhibition following strict biosecurity procedures or originate directly from a flock which has been certified as Pullorum-Typhoid Clean under the Tennessee Poultry Improvement Plan. As part of increased awareness and surveillance for Avian Influenza and other poultry diseases, the physical appearance of all birds should be assessed at the time testing is conducted.
3. Certificates of Veterinary Inspection issued in satisfaction of these Tennessee Fair Regulations shall be good for 90 days for Tennessee livestock only.
4. Certificates of Veterinary Inspection demonstrate that the animal showed no signs of contagious disease at the time of veterinary exam and CVI issuance. Animals developing signs of disease after inspection but during the period the CVI is valid are still subject to rules refusing entry of animals with contagious diseases to exhibitions and shows.
5. Please note that exhibition requirements for out-of-state livestock are the same as regular import requirements.
6. Warts, ringworm, scabies, contagious ecthyma (sore mouth), foot rot, cutaneous fungal and bacterial infections (i.e. club lamb disease, caseous lymphadenitis, pink eye/conjunctivitis) are considered contagious and infectious diseases and are NOT permissible.
7. All out-of-state poultry must originate directly from a Pullorum-Typhoid Clean Flock and a H5/H7 Avian Influenza Clean Flock or be accompanied by evidence of a negative Pullorum-Typhoid test within ninety (90) days and a negative official Avian Influenza test within twenty-one (21) days.

Also, please note that if highly pathogenic avian influenza is detected in Tennessee or a neighboring state, commingling of poultry at fairs and exhibitions may be suspended.

Fair Biosecurity

Below is a summary of recommendations for fair management by the National Assembly of State Animal Health Officials and the National Association of State Public Health Veterinarians to better protect fair attendees from disease:

- Provide easy access to hand washing stations.
- Post informational signage that includes the following messages:
 - No eating or drinking in the animal areas.
 - Wash hands frequently.
 - No pacifiers, sipping cups or strollers in the animal exhibition areas.
- Discourage sleeping in the animal exhibition areas.
- If human or swine influenza-like-illness is associated with the exhibition, animal health and public health officials should be notified immediately.
- People who have influenza-like illness should leave the exhibition immediately and seek medical care. They should advise their health care provider about their fair attendance.
- People at high risk for developing severe complications from influenza should limit their exposure to swine.

Also, be aware of the potential exposure of fair attendees to Salmonella and E. coli 0157 from animals exhibited on the fairgrounds.

Please retain this material for reference during the remainder of the 2025 fair season.

Message from Putnam County Mayor Randy Porter

Please join the Porter family for the 99th Putnam County Fair, July 31 – August 9, 2025. This year's theme is "Party Like It's 99" with red, white, and blue color décor. This annual event brings in thousands of people from all over the state. In fact, the Putnam County Fair was named the #1 County Fair in Tennessee in 2021 and the Premier Champion of Champion Fair in 2022.

The Putnam County Fair is possible due to the Fair Board that puts on the events each year, along with over 500 volunteers and hundreds of business sponsors. Also our Youth Board is made up of an amazing group of young people eager to welcome you to our great fair and carry on the century-long tradition.

The fair this year will be filled with great events, competitions, rides, shows, motorsports, and much more for the entire family to enjoy. With over 200 live demonstrations, six horse shows, livestock and dairy shows such as hogs, goats, dairy goats, sheep, dairy and beef, the fair has become a premier agriculture event.

So bring the entire family and join Melanie, Paige, Avery and I at the award winning, 99th annual Putnam County Fair. You will make great memories that will last a lifetime. See you at the Fair!
